ing Discussion of Appropriation Bill, Hampers Other Activities.

the District during the vacation season will remain undone this year was dis cussed today by Alonzo Tweedale, audiyear is permitted to be used for that purpose during the first half of this month. Auditor Tweedale is of the opinion that it would be futile to begin any repair work, because the smallness of terms of the resolution would make it

inadequate even for a beginning. As in the case of the municipal bathing beach, Auditor Tweedale pointed out, the appropriation for repairs, etc., on the District school buildings is largely ex that time of the year the schools are not upleted without interfering with th school course.

stated, is appropriated in a lump sur of the sum of the 1914 appropriation for use during the first half of the month beginning today.

there is believed to be little doubt.

Mr. Brownlow is a warm personal friend of Commissioner Newman and is a son-in-law of Representative Sims of Tennessee, who has received the thanks of the President for work in the passage of the bill for repeal of Panama tolis.

Mr. Sims is said to have asked no favors at the White House and fy that reason is held in high esteem. He is not believed to have requested the conferring of high office on Mr. Brownlow, but the White House understands that Mr. Sims would be pleased by the nomination of Mr. Brownlow as Commissioner.

Has the Intil 10 of the sum of the lift appropriate used during the first half of the beginning today.

Effect of Continuing System Should it be necessary to adopt a continuing resolution to provide for the woman suffrage resolution and also the ticklish anti-liquor resolution to provide for the White has helped make Representative Hobson famous. They just camped out in the rules committee room waiting for the woman suffrage resolution and also the ticklish anti-liquor resolution to provide for the woman suffrage resolution and also the ticklish anti-liquor resolution to provide for the woman suffrage resolution for th last half of July, and should such reso as the one adopted, necessary repairs to in the rules committee room warms the meeting to start.

They were there in their glory, and waited for an hour, when it began to dawn upon some of them that perhaps after all those newspaper men were correct when they said the meeting had rect when they said the meeting had rect when they said the meeting had believed the repairs usually made during a period of two or three months. This length of time, it is declared, is too brief the repairs usually made during a period of two or three months. This length of time, it is declared, is too brief the repairs usually made during a period of two or three months.

length of time, it is declared, is too brief to permit the completion of the necessary repairs and alterations.

Auditor Tweedate stated that the operation of the playgrounds will not be seriously interfered with by reason of the appropriation for the support of the playgrounds, he stated, was largely for salaries, and these, he said, are safely provided for. Supplies for use at the playgrounds, and extensions and additions to the grounds, and extensions and additions to the grounds, he stated, will have to be surplus revenues of the District, is to supplies for use at the playsor of the District appropriation bill, which turns back to the Treasury all sariles, and these, the said, will have to be surplus revenues of the District, is to supplies revenues of the District, is to be stricken from the bill in conference in the other Members of Charlotte, Dustines in Downtown District Normal support to the necessary made and Again—Not Warranted,

of Mrs. Louise Bailey at Freeport.

SUPPORTS DR. CARMAN'S STORY OF OFFICE TRAGEDY

New Trial of Cause and Arrest of Detectives at Work on Clue, With Jealous Woman in the Background-Story of Crime.

FREEPORT, N. V. July 1-Mee an, president of the board of District in the office of Dr. Edward Carman. Evi-Commissioners, to prevent the ratification dence today supported his story that physician's room, four feet from the win Mr. Newman asks that judgment be dow, detectives found an instrument case burns and a furrow that might have been the room the person who held the pistol must have squatted on the floor. It was, however, directly in the path that the bullet would have taken from a pisto shoved through the broken pane

doctor's office. In the presence of detectives engage wealthy New York hat manufacturer, Dr Carman today rehearsed the murder scene. He was about to pull aside the curtain to permit Mrs. Balley to leave his office, he said, when he heard a crash of glass and saw a hand with a pistel poked through the broken pane through the broken pane.

Barely Two Feet Apart.

He and his patient were barely two feet apart, he said, and he did not know at which one the weapon was aimed. He ducked behind an operating chair and as he did so the pistol was fired and quickly withdrawn.

The detectives learned today that a fer minutes after the shot was fired a young woman hurried into the Freeport railroad station apparently in great agitation and took the first train for New York. She was described as well dressed and auburn

was described as well dressed and auburg haired.

Although Dr. Carman insisted today that he had not met Mrs. Balley until she called at his office last night for professional advice, the detectives began their work with a jealous woman in the background of their theories regarding the identity of the criminal.

Shot Through Heart.

Mrs. Bailey was shot through the to Dr. Carman, she arrived at his office, An hour later, he said, she was preparing to leave when the shot

fired that ended her life. fred that ended her life.

Officials found that the window through which Dr. Carman said the shot had been fired was covered by a wire screen, which was operated by hinges from above and could only be opened from the inside. Further investigation showed that the glass broken from the window and the putty holding the glass had fallen both inside and outside the room.

The mystery was further increased when Bailey, the husband of the mur-

going to the doctor's office

Victim a Social Leader. Outside of the tragic features of the murder, the crime caused the most in tense excitement here on account of the social prominence and the wealth of Dr. Carman and his family.
